- NUR, Curvas y giros sin fin, trazos simples, limpios y atrevidos diseñan en el espacio las luminarias de NUR. Simples líneas trazadas de manera elegante y minimalista, pero que desarrollan una iluminación led en todos sus modelos contundente y eficaz.

Lámparas de diseño distintivo y peculiar, pero que perfectamente pueden incorporarse al más vanguardista de los ambientes, o por contrapunto a cualquier lugar imaginable, generando una sensación visualmente simple y evocadora.

NUR la componen lámparas en varios formatos, plafón, sobremesa y aplique, construidas sobre un ligero perfil personalizado de aluminio, con su difusor de policarbonato matizado, realmente flexible, que permite realizar los giros que la caracterizan en sus diseños.

- NUR, Twists and turns, simple, clean and bold stroke design the space with NUR luminaires. Simple lines drawn elegant and minimalist way, but who develop LED lighting in its forceful and effective models.

Lamps with distinctive and unique design, but perfectly can be incorporated into most innovative environments, or to anywhere imaginable, creating a visually simple and evocative feeling.

NUR is composed with lamps in various formats, ceiling, table and apply, custom Built on a lightweight aluminum profile with frosted polycarbonate diffuser, flexible, which allows the turns that characterize their designs.
