

LED Bird Black E27 4W 2200K DIM

Bailey nr.: 143629

Bailey Bird Black LED E27 4W 2200K 100lm Dimmable 230V-240V CRI80-89 360D 215x91mm LED Filament deco lamp

The Bailey Bird led filament lamp is part of the Designs by Bailey Lights series and is one of a kind. It is so unique that the design has been patented by Bailey. It has a regular E27 fitting so that it can be placed in practically all lamp holders and pendants. Of course you can combine it with the Bailey accessories or place it in the so called cage fixtures as a Bird in a Cage. The lamp provides you with warm light (2200K), it uses little energy (4W) and it has a long life-time (25h). Which make it a truly sustainable product. The Bailey Bird is dimmable (recommended dimmer Bailey WW15031 dimmer). Ideal to create a flock of birds on the ceiling, to mount them against wall or to use it in an even more creative idea.
